Foil printing systems

Foil Direct AP / Foil Xpress AP

On demand foil printing system for brilliant metallic prints

Individualise hard covers, calendars, photo albums, greeting cards and much more with high-quality metallic colours directly from the application.

Foil Direct AP and Foil Xpress AP are the cost-effective solution to create printed material with an extraordinary character. Creation of brilliant and scratch-resistant film prints WITHOUT stamp and clichés.

Configured as a desktop printer for effective work from run 1, these foil printing systems save time and money compared to the classic embossed printing process.

Foil Xpress AP only: Individual spine printing on binding covers & Channel with optional Foil Xpress Channel Holder + printing on already bound books.

Example applications

Printed Hardcover

Notebook with leather surface

Cover sheets

glossy surface

funeral ribbons

Plastic cards

Your benefits

- Direct Print from almost all PC applications such as InDesign, Word, Acrobat (PDF), Corel.
- printer driver for Windows XP to 10
- no special software necessary
- print sharp and scratch-resistant lettering, logos, graphics and much more directly from the application
- printing of hardcovers, calendars, folders, covers, cards, foils, already bound books and much more.
- with automatic positioning of the print head for prints up to A4
- different metallic colours (gold, silver, green, red, blue ...) available
- different film types available for different surfaces
- configured as a desktop printer for effective work from edition 1 onwards
- quick set-up and user-friendly operation
- No costs for embossing stamps and complex set-up
- Print settings for different applications can be easily saved

Technical data:

- print resolution: 300 x 600 dpi
- printing speed: up to 2,5 cm per second
- max. insert hight: Foil Direct AP: 4 mm / Foil Xpress AP: 25 mm
- printable surfaces: matt, glossy, coated
- print head height: 5.7 cm
- print head moves automatically over the complete print area
- max. printing area: (B)203 mm x H) 305 mm
- Operating system: Windows XP, Vista, Windows 7 (32 & 64 BIT)
- power supply: 230 V / 50 Hz / 120 W
- Foil Direct AP: dimensions: W530 x D360 x H280 mm, weight: 10 kgs - Foil Xpress AP: dimensions: W510 x D560 x H330 mm, weight: 20 kgs
